Worth the Drive

My girlfriend and I drove up the coast to Malibu for the weekend. We booked a room that was really nicer and cozy. We spent the day walking the beach and talking and dinner that night was wonderful too. Then it was time to go back to the room and ordered champagne and after a quick and intimate shower together, we got on with the pleasures of sex. With the help of watching two Foxxxes on my computer. Yeah, you bet it was hot.

— Laura, Torrance

College Dazed

I had my first real boyfriend as a junior in college. My parents were very strict and I couldn't date, so as a freshman, I went out and got me some dildos and used them for almost three years. My boyfriend had your Fox magazine and when I saw Nikki, it reminded me of my dido daze! I really started to get into sex and would often skip classes and have sex three or four times a day!

— Sammi, Columbus

The Bigger the Better

Of all the chicks I've fucked, I gotta admit that I find big-boobed girls to be some of the hottest. I wish I knew why because I would bottle it and sell it and make a ton of money. If you ever have a chance to fuck a chick with large breasts, do it. It will be an experience you'll always remember. Besides the obvious physical appeal, like when she straddles you and you get to hold both of them, there's the stuff they can do with them. Like titty-fuck, or slap your face around a bit with soft fleshy fun. That all means that I found the pictorial of Alanah (Rae) quite stimulating and everything I love about big-boobed women having sex. It kinda takes me back to those old Russ Meyer films of bouncing big boobs and unabashed sexuality. So my praise to DD and larger, they are fucking hot and will fuck your brains out every fucking time.

— Kingston, Miami

Inspirational Violet

I got me an HD video camera for my birthday, and right away I started making home videos. That progressed to shooting my sex life, and that progressed to putting it up on the web. Then I saw the video of Violet Star from your magazine. Although all she did was roll around on a bed and play with herself, somehow I got engrossed in her, and when I went back and looked at my movies, I was immediately let down. Now I realized how deficient a movie-maker I was. I convinced my girlfriend to mimic Violet and now, somehow, my movies are much better. I was never a techie, but now I think I've turned into a bit of a nerd. So now I gotta have make more movies to post them online.

— Russ, Vancouver

LUNCH! Cum and Get IT!

Brooke Scott and Aiden Starr are going to have lunch in Brooke's kitchen while we watch. Lunch was fine but eating each other's pussies was even better. Even the cameraman thought so. They're just two Southern girls who found each other hot and happy and let us into the house. We'll have dessert real soon!

.....

Late one weekend night, my ex-wife Ginger, came visiting. We sat back in my favorite room and began discussing our new romances. We had split about a year ago, but lately we've been talking more, getting back to some of the things we found attractive in each other. A couple years ago all we could find was ugliness in each other. Time helped to mellow us out.

She confessed that one night she let her roommate's boyfriend, Scott, fuck her. But that was supposed to be the end of their little affair. Apparently her roommate Ellen, saw them and now she wants Ginger to do something for her. My ex started to tell me how Ellen played her cards. She told me that she was taking a bath when Ellen walked in without knocking. I yelled out but without hesitation, Feeling a bit uncomfortable by my roommate's hands on me, Ellen moved in closer and said: "The other

day he told me he'd really like to get to know you better, but what I think her really meant was that we wants to get in your pants."

I looked at her and said: "I've got a boyfriend?"

"Well, that didn't stop you from fucking my man, now did it." She hissed in my ear. So Ellen really did see us. "What are you talking about?" I pretended. She tightened her grip on my shoulders. "I saw you two." I told her she was wrong and had no proof of it. "What would your man say if I told him about it and showed him the picture I took of the two of you fucking?"

I have met Ginger's current man a couple times and seems like a nice guy. Ginger now knew she was in trouble. She said Ellen

let her go, and put her hands into the bathtub's warm water. Ginger continues with her story... "One hand found my boob and took hold of my nipple. Ellen then paused for a moment, tightening her pinch on my nipples. I told her to stop in mild protest, but Ellen did quite the opposite and pinched a little harder."

"What do you want from me?" I asked, grabbing Ellen's arm in the water. "Let's not call it revenge, dearie, but I want some bed time with your man." I thought, that fucking bitch saw everything, now she wanted to do my boyfriend. Ellen was turning my nipples even harder. Strangely, I liked every second of it."

"I don't care how you make him do it. Just do it." she said.

I couldn't believe my ears when Ginger told me that. "What do you think I should do?" she asked. "I really don't know." I responded. "Do you want to fuck someone else? That would make two indiscretions on your boyfriend." I said.

Ginger looked me in the eye with a surprised look on her face. "Don't tell me you're seriously considering giving Ellen what she wants." I said. "But she has pictures of me. If my man were to see them, he'd really be hurt and that may be the end of our relationship." she said sadly. After another couple hours, we came upon an idea that might work: Get her boyfriend on our side. When we told him about the little problem with Ellen, he was quite irritated, but he quickly came up with a plan. "Suppose you (looking at me) and Ellen got together. We could do the same to her, but with video." he suggested. "Do you mean I should fuck her?" I asked, looking for clarity.

"It would be evidence." he continued. "If she tries to blackmail Ginger again, at least you'll have something on her. Ginger, you could threaten to publish it on the internet or social networks." Ginger and I looked at each other. Her eyes begging me to do it. I agreed, not too reluctantly, I might add. Ellen is a bit of a hottie. A sexy redhead with an occasional temper to match her fiery looks. Later that night we would make arrangements for the weekend, when Ellen would come over for her little fuck-fest. The premise

was a party so Ginger could fulfill her promise to Ellen.

Set for Saturday at the girl's flat, about ten people were invited, including our usual cast of fuckers. Ellen walked into the room and I saw her for the first time that night. Nice tight jeans that accented her round ass perfectly, tight top and pretty eyes. "Hi there, you." she said when she came in. I could tell Ginger was

"Your turn." she said turning to me.

"Strip!" I removed my pants and shorts, and my hard dick jumped up and pointed at Ellen.

nervous. They greeted each other distantly. We sat down and had a cup of wine first, as if this was just a regular visit. After the second glass, Ellen said: "Let's go to the bedroom!" We had to fuck in the bedroom because the camera was there. I put the camera out of sight, but it was at such an angle that most of the room would be in the picture. Ginger and I walked to the bedroom. I turned on the hidden camera we hoped would be the answer to Ginger's problem.

Ellen walked in a moment later and started barking out orders. "Ginger, I want you to sit in that chair in the corner and watch everything we do." Ginger sat down on the chair. Ellen continued: "No, you need to be naked. Get undressed." Ginger started to reluctantly undress herself. She pulled her sweater over her head, and then removed her bra. She unbuttoned her jeans and pulled them down with her underwear at the same time. She sat down and removed her socks. Now she was completely naked, sitting in the chair waiting to see what was to unfold.

"Your turn." she said turning to me. "Strip!" I removed my pants and shorts, and my hard dick jumped up and pointed at Ellen. She touched my dick, which gave a shiver down my spine. "Now, undress me." she demanded. Her big breasts were held in a tight bra, her nipples were visible through the fabric. I removed her jeans then her socks. I saw her tightly trimmed pubic hair as she pulled her panties down; and finally saw her pussy

in all its glory. She moved back on the bed and lay down on her back, her legs spread invitingly. She demanded I come closer. I crawled towards her, my dick bouncing up and down. I started to lick her pussy and lapped away, enjoying every lick. Ellen had her eyes closed, enjoying every moment of it. The tip of my tongue licked her clit, then I put my tongue in her pussy as deep as possible. This I repeated for about five minutes as Ellen flooded my face with her juices.

Ellen looked at Ginger. "Enjoying the show?" Ginger was still sitting on the chair. I hadn't thought about her since I started to suck pussy. Ginger held her knees close to her breasts and tried to keep her pussy from view. She opened her legs a little bit. "Wider," Ellen demanded. Ginger opened her legs wider. We could see her pussy was soaking wet. Ginger started to play with her clit. Ellen and I enjoyed the show as Ginger was really getting in to it. Her fingers furiously caressing her clit.

Ellen started stroking my cock. She took it and wrapped her fat lips around it. God, I thought I was in heaven. I was glad Ginger was caught fucking that night by Ellen and very glad that we had ended up here. After sucking me off for a while, Ellen wanted me to fuck her. She got on all fours, and I saw her perfect ass staring back at me. I put the tip of my cock at her hole, and then moved into her very slowly. I inserted my man-meat into her until it was all the way in her soaked slit. I held it that way for a moment, getting used to her velvet pussy walls. When I heard Ginger moan, having another self orgasm, I started to fuck Ellen harder.

Ginger was watching but she got up and walked towards the bed. She slapped my ass until my buns were red. She sat behind

Ellen and me and started to caress Ellen's puckered hole. She inserted a finger up her butt. I was fucking Ellen and she was definitely enjoying the whole thing. I spurted a huge load of cum into Ellen and she came at that moment. Ginger furiously pumped her finger in Ellen's asshole like a woman possessed. She continued until Ellen came again and collapsed onto the bed.

Ellen pulled herself up and looked at us. She was still giving

us the superior look, as if she still had the power. "Well bitch, I guess I just used you," she said. "So, you got what you wanted, now give us the photo's," Ginger said with a stern voice.

"You didn't think I would bring them here, did you?" said Ellen. Ginger yelled back at her, "You bitch, you're not keeping your word. So..."

"So what would your man think if he saw you fucking me?" I said. "What if he saw the video we just made? Take a guess," I smiled. Ellen's face turned sour. "You didn't..."

Ginger started to laugh as she pointed to the camera hidden on the shelf. "Your boyfriend helped us hook this up and he's been watching the whole time. I wonder what he was thinking as we were fucking you?" I said with a grin. To our surprise Ellen broke out in a big spontaneous laugh and said "I hate you guys, and him too. Where is he?" We said he was in the other bedroom and, he was naked. Ellen jumped up and left us for him.

ANDREA

Dinner. Is Served!

I was quite flattered to be selected for this month's issue. I had a great time at the shoot and I hope you like the pictures. I had worked out for six weeks before this and abstained from sex, too. That whole time. That made me really horny when shoot time came and I was all over my pussy. I must have cum like five or six times in an hour!

OFF THE RECORD

I LOVE WHAT I DO
AND HOPE YOU DO

AVY SCOTT

WANTS YOU TO KNOW HOW MUCH SHE LIKES PERFORMING FOR YOU, HER FANS, AND SOON TO BE FANS. WITH ONE OF THE LARGEST FAN BASES IN THE INDUSTRY, SHE SAYS SHE LIKES TO PERFORM SOLO BECAUSE THEN YOU CAN USE YOUR IMAGINATION TO BE WITH HER.

FOX: Hello Avy. It's so nice to see you again. Thank you for taking time to speak with us today. I know you only have a short time before your shoot begins. As you know, ever since we saw your last group of photos, we've been trying to get a moment with you to ask questions from some of our staff, whom you have completely captivated.

FOX: So... what things get your attention?

AVY: There's nothing that a man can give me that I can go out and get for myself. But I do like a man's generosity when I'm in a relationship with him. Wouldn't you?

FOX: Do guys get nervous around you when they discover what you do for a living?

AVY: Because I've been around the block, the men I associate with are more sophisticated than worrying about that. But when they find out I'd share another woman with them, it's like a light goes off.

FOX: Is there a certain look you prefer in men?

AVY: Men are all different. It really depends on the individual. It's the same with the girls I go out with. Their physique is important because I like to stay toned and if they are buffed too, all the better. But mostly it's about compatibility.

AVY SCOTT

FOX: Since you brought it up, what's the sexiest part of a woman? And a man?

AVY: You mean besides the obvious. Well, I like a man's hands. If he has nice hands that's a huge plus. That's what's touching me, going into my mouth and pussy. The same with a woman. No really long nails or short stubby ones. I don't want my pussy's insides to get scratched.

FOX: After on-camera sex, do you still think about sex after the scene is finished and you came?

AVY: I think about having sex all the time. That's one reason I'm in this business. Sex for the camera is different than real sex. There is too much starting and stopping during a shoot. The director controls the pace. When in private, there should be a smooth flow to lovemaking with no one in control. It's all about sharing.

FOX: Are you controlling in bed?

AVY: Not really. I like the feminine role. I like it when he puts me in the position he wants me in. No matter if he's licking me or fucking me, I like to feel like I'm being taken.

FOX: Is there something you haven't done that you want to do. Personally or professionally?

AVY: Maybe sex on a cable car going up to the top of the Matterhorn. What a view that would be!

FOX: Finally, what is your favorite position?

AVY: Probably doggy style is my favorite position, but with my head down on my arms and my butt in the air. When a man's back there, they let themselves go, and get a little wilder, and I can just close my eyes and enjoy the fuck!

FOX: We're done. I told you'd be a short interview. I want to thank you for your time and for letting me stay to watch your photo shoot.
